CLIPPER

THE SENIOR CLASS of
COLUMBIANA HIGH SCHOOL
Presents

THE 1964 CLIPPER

Barbara Gerlach, Editor-in-Chief; Eddie Miller, Chief Business Manager; John C. Barton, Faculty Advisor

To Mr. Ossoff:

He's large in stature but
Gentle in manner.
He's gruff in voice but
Kind in heart.
He took his life in his hands
to teach us to drive.
He scared the devilment out of us
and the algebra into us.
He's more than a teacher,
He is a friend.
He proved false the adage
"Good things always come in small
packages."
Mr. Ossoff -- He's an "all right people."

CLASS HISTORY

The year was 1960. To most people it meant the innauguration of John Kennedy. To us Freshmen, it meant a year of change - from "almighty" eighth-graders to "pea green scum." The leader of this "bewildered mass" was Brian Arbuckle, our class president.

In the fall of 1961, we again returned to CHS and endeavored to live up to our name, Sophomore, which literally translated means "immature." We elected Lynn Harrold as class president.

The fall of 1962 marked the beginning of our Junior year. We elected Allen Lawrence class president. That year our great football and basketball teams brought us one of the most successful seasons our concession stand had seen to date. Shortly before Christmas, our class rings arrived. Not to be outdone by Twentieth Century Fox and their production of "Cleopatra," we fostered our own brain child in the form of "Seven Keys to Baldpate," under the direction of Mrs. Allen White. Swaying palm trees, and soft music was the illusion for those who spent a glorious evening in the "South Pacific," our magnificent Jr.-Sr. Prom.

Freshman initiation, the school paper, the annual, college boards and hordes of tests, college applications, senior prestige, one act plays, the excitement of Class Day, caps and gowns, baccalaureate, commencement and the class trip - this was our Senior year.

CLASS PROPHECY

CAROLINE WILMS is very unhappy since her father changed the name of his nursery from Gwen-Gary to Caroliney's Piney's. WAYNE STAMP is still sitting in the office at C.H.S. making up for sleeping in.

LINDA SWANSON is still taking the bus to Western Reserve and leaving the driving to the bus drivers. CHARLES TRUMP is still driving that "hot" Buick of his around North Lima. BILL SMITH is the owner of Smithy Sohio Service Station. DIXIE SMITH is the model for the Stay Put Lipstick Company. PATTY YOUNG is the head of an expedition to find the Fountain of Youth to stay young. GLEN CHURCHFIELD is the creator of Glennie's Greasy Garlic-burgers. They are sold only at Well's. DOUG CORBAN owns a garlic farm in East Palestine. LEODIS CASE is in a Siberian Agricultural Outpost is raising frozen corn. BOB CLINE has a Surfboard rental in Rogers. TOM COPE has extended the furniture line and has added a "Cleopatra Coach" used exclusively for dates. HELEN COY is now a tavern owner in Las Vegas. SUSAN CRAWFORD is a black-jack dealer in COY Cozy Corner. MIKE CAMBELL our class astronomer, spends most of his time observing the heavenly bodies. "BETTS" DAVIES our class wit has replaced Carol Burnett on the Gary Moore Show. WILBERT DYKE is the owner of Wilma's Beauty Shop. ROD EDWARDS is now a fat man in a circus and weighs 794 pounds.

SHERRY EDDY, noted for being diplomatic with boys, is our representative to the U.N. JILL FULLERTON has taken over Ann Landers Column. TOM HOKANSON is running the Columbiana Ledger. MARCIA HOLLOWAY is a drag line operator for Ruth Excavating. DOUG HICKMAN is now posing for Body Builder as a big cramp. BRIAN ARBUCKLE and GRACE CLARK, the owners of Valley Golf Restaurant are doing so well that the turnpike has a clover leaf exit on the first green. Speed has paid off for TOM GANTZ, he drives a dragster for LLOYD BARBER and RICHARD BARNES The Co-Owners of B & B Speed Shop. Dimpled BARBARA BAUMAN is the owner of the Bauman Baby Bottles, Inc. BARBARA GERLACH is still spilling grape drink on white shirts. BETTIE BEVAN is now the librarian in the Library of Congress. Speaking of congress, FRED GOSNEY is running for President on the Republican ticket, much to the dismay of his father. "BOOKIE" following family tradition is the head of Bookwalter Clinic and has invented a salve which is guaranteed to grow another toe. CHRIS BROWN is Tom's lovely six-toed secretary. JACK BRODE has achieved his goal; he writes "sex novels." RON BURBICK is trying to follow family tradition . . . and work on his farm in his spare time. TATE BURKHART is running for President and backed by Don Gosney.

MARY RUTH WALKER, DAVID GOIST, and PAUL BROWER, were last seen being pulled across the duck pond at Firestone Park after writing the CLASS PROPHECY.

NATIONAL RUBBER MACHINERY COMPANY

Columbiana, Ohio

Congratulations, graduates. We're proud of you! After four years of work and fun, of discovering new interests and growing up--the big day is at hand. As old folks of 80, we envy you your youth...your energy...the vast fields of knowledge that are open to you...the opportunities for travel (perhaps, even to the moon!)...that previous generations never knew. It's an exciting and challenging world you're entering, and we're sure you will not only meet its challenge but enjoy doing it. Whatever your next step may be--college, a job, the army--we have confidence that you won't let your education and ambitions stop with that diploma.
